It is a newly created 3D fantasy action RPG developed by Hamster Corporation. The game will provide a vast world filled with exciting situations where the player character explores it freely with a unique battle system. The game's characters, immersively integrated and visually expressive, will captivate you with their movements and stories. Its world that envelops you with its expansive visuals and seamlessly designed gameplay will allow you to challenge yourself freely. WHAT'S NEW [Game Update] Fixed an issue where the player character was more likely to fall into a pit in the fields than through the forest. [Game Update] The amount of stress applied to the world has been increased during battle. [Major Bug Fix] After receiving a heart-shaped charm from Laura, fixed an issue where the word "Simon" in the Mission Log was not properly written out. We'd like to apologize for any inconvenience caused.

Elden Ring Features Key:

- Vast World That Expands with Playtime A vast world that can be expanded by playtime. Two worlds (the Main World and the Cellar) support simultaneous play and thus lend a broader appeal to the game. In addition, 100+ side dungeons expand the game in all directions.
- A Reward for Playtime The game content expands with playtime. Expect playtime-based rewards.
- Unique Online System that Interacts With Others An asynchronous online multiplayer, where you can put on a performance and enjoy bonding through non-verbal gestures while sharing a profound game state with others.
- Clans, Guilds & Crews That Unite by Gameplay All players can belong to clans, guilds, or crews. You can organize your games by joining these groups.
- Convenient Management of Crews using Mobile Devices The Crew Exchange (where you can join in a crew to play a specific game for a limited period), and easy clan or guild management.
- Multiple Wardrobe Stylings to Express your Style A wide selection of equipment and many accessories provides you with a variety of ways of expressing your style.
- Create Your Own Character by Combining Weapons, Armor and Magic

A Message from the Developer

Thank you for playing my game! I really appreciate the love you have shown towards it, and hope you enjoy

it as much as I did making it! Sincerely, I'm Taron Namatate, CEO of Snow Wing and COO of Durarara!! Kanade Dan, producer!

It is the Geppos Entertainment Company's (GEC) two years since the release of *Rogue Symphony* on mobile. We hope that the first action RPG based on the **Souls** series will be a successor to our successful **Fantasy Action Series**.

PS3/Vita Notes:

Thank you for playing my game! I really appreciate the love you have shown towards it, and hope you
