OVER 300 ABILITIES Thrusting the Elden Ring into the mouth of Oblivion from the year 1106, the Elden Ring was forged into a holy weapon that spread the belief of the Elden Regent to the entirety of the Lands Between, and has been a living demonstration of the glory of the Elden Regent ever since. In accordance with the beliefs that developed from the Elden Ring, some common abilities appear for all the characters that were created from the beginning. However, since various Elden Regent's have taken the place of the Elden King in different eras, and since the beliefs and methods of the past have been gradually corrupted, characters who have gotten tainted by this corruption also have access to a variety of abilities specific to them. This means that even if you are a character who looks weak in appearance, you are actually growing stronger as you progress in the game, while you are able to manifest your true power from the heart of chaos and violence.

- A WORLD ENGULFED IN DANGER

The Lands Between were once a peaceful land where people of all races could live and enjoy life. The rise of Oblivion, and the corruption of faith that arose with it, turned those days into something dark. Your mere presence in the Lands Between will unleash waves of destruction that will cause the surrounding areas to become chaotic and dangerous. You will need to take refuge somewhere that is both secluded and safe,

and fight with the weapons and magic that you have access to. • GAME MODE: SHADOW OF THE ELDEN KING In Shadow of the Elden King, you get to choose which path you will take in the game, and the areas you will be able to enter will be different from each other. You can travel freely between the Dungeons of Various Levels to explore the inner depths of Oblivion, or launch a surprise attack on the shadows of the Elden King's evil brethren. ----- | GAME SYSTEM | ----- The New Fantasy Action RPG is a 3D action RPG combining the excitement of the story of the Lands Between, and the excitement of online play, and offers you a vast game world full of challenges. ----- | STRUCTURE | ----- The New Fantasy Action RPG is a 3D action RPG that offers a storyline about the Lands Between, and also allows you to take on the role of a

Features Key:

Classic Fantasy, where the Battles are Real : The clash of the time when the gods bear arms. Adventurers clash with monsters as they travel on a quest.

Epic Battles: A Distant World Unfolds, A Distance Float : Ever-changing battles appear and disappear, as you and other players explore huge open fields and dungeons. In the midst of the battle, players can freely move. The gameplay is dynamic and a good battle will feel completely different from large-scale battles.

Elaborate Item Battle System : Player's strength and power expressed to the extent that battle is truly a battlefield, and the characters' relationship with the items that are as unique as the game's genre. Not just items but weapons, armors and Magic Items also play their part. The battlefield is a place where an invisible power can be displayed, and

a faithful sword can slay a monster. When you wield a weapon, your moves will be stronger. Convey your strength, and become powerful. RPG Multitasking: Frees up time, while running on Dual Story They are tied together, but Tarnished and the other characters display their own sides to challenge the outside world. Delve deeper into the world to see the story of another character as it plays on. Enjoy stories that break the boundaries of the game.

Adapt and Conquer: Crush your enemies to improve the world.

Campaign: A Fantasy story where you can deeply immerse yourself in the world. Recruit, upgrade, and expand the party. The Elden Ring will be stronger with everyone who has joined you.

RPG do not get tired of being around you.

Interactive user interface : Mission Description The interface actively prompts the user to enjoy the role of the adventurer, and guides you on the best story route. Easy-to-learn yet difficult-to-master, it won't leave you bored.

and the mockup that we made looks pretty good. I will be implementing the graphics in the next few days and entering it into the game once that's done. I'm looking forward to being able to cross the big finish line soon. This is going to be a very special project to me. I am a little late on posting this update as I took a bit to finalize some of the details.
