Rise of Nations Game Fixes, No-CD

What is a major/minor/patch version? Major versions are backwards compatible. For example, the same library might be released as version 1.2.3 and then again as version 1.2.4. Major versions get additional features automatically. Minor versions can break backwards compatibility. For example, library 2.0 is backwards incompatible with library 1.2. You can get a library that is backwards compatible as version 1.2.6. Patch versions are unlikely to change major compatibility issues. They mainly fix bugs. 6d1f23a050
